Dear Ms. Athas:

Thank you for your recent e-mail messages to me. Per your request, I have enclosed the copies of the notes of J.W. "Will" Fritz that the Review Board has made available.

We are not aware of, nor have we seen evidence of the existence of, transcripts of the Secret Service radio communications from the day of the assassination of President Kennedy. I have shared your inquiry with several members of the staff, and if we do find something on this, I will let you know.

Again, thank you for writing and for your interest in the work of the Review Board.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
