Dear Ms. Beusse:

I am so sorry to hear about your mother. Thank you for sending the article -- she surely lived a long and full life, and certainly touched a lot of lives. Her love of Ireland and life truly made a difference.

As you requested in your fax, the attached AP wire copy sample seems to include references to everything you mentioned would be of interest to you. Some of it is a little difficult to read, but key news flashes are clear.

I hope you enjoy reading this wire copy. Let me know if there is anything else I can send to you.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
