Dear Jacqueline:

It was nice talking to you the other day. I look forward to reading the article that you are sending.

As we discussed, I have enclosed record identification forms for 14 HSCA subject files that mention Carlos Marcello in some way. If you see something in particular that interests you, let me know. The Board is currently reviewing these documents and they may not be available immediately, but I will do what I can.

Sincerely,

Eileen A. Sullivan
