Dear Representative Souder:

On behalf of the Assassination Records Review Board, I would like to thank you for attending the National Security, International Affairs and Criminal Justice Subcommittee hearing on H.R. 1553, which would extend the Review Board for one final year. The hearing on June 4, 1997 was an important opportunity for me to describe the Board's accomplishments to date and explain what our focus would be in an additional year of operation.

Please be assured that I recognized and greatly appreciated the interest that you and the other members of the Subcommittee in attendance took in the Board and our work during the hearing. It was a pleasure to have the opportunity to respond to the very thoughtful questions that were asked. The Board was honored that the Subcommittee reported H.R. 1553 immediately following the hearing.

Again, thank you for the time and interest that you have taken in the work of the Review Board. It has been a pleasure working with you, the other members of the Subcommittee and the excellent Subcommittee staff.

Sincerely,
