Dear Shawn:

Per our conversation, I have enclosed copies of the selected samples from our most recent releases that relate to U.S. policy toward Cuba, the notes of J.W. Fritz, and U.S. policy toward Vietnam that the Review Board has made available.

As I mentioned, document number 178-10002-10093 (4/24/75 deposition of Richard Helms) is in the Review Board offices. Although it is difficult to determine when precisely it will be reviewed by the Board, it is our goal to process all Ford Library documents by the Spring. I will continue to keep up with the status of this document for you.

I hope this information is helpful to you.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
