

July 2, 1997

Mr. Shawn Hanneman
1421 N. 9th Street
Apt. 5
Lincoln, NE 68508

Dear Mr. Hanneman:

I have found some information about the Rockefeller Commission papers. The JFK Collection contains 6 boxes of Rockefeller Commission material that were forwarded by the Ford Library. There are also significant amounts of Rockefeller Commission material in the JFK Collection's Church and Pike Committee files.

There are additional Rockefeller Commission documents that are referred, and the Review Board is working on those.

I hope this information is helpful to you.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
