### COMMENTS:

Dear Mary:

Per our previous conversation, I am attaching a copy of our news release that announces the departure of David G. Marwell, ARRB Executive Director, who will become the Director of Collections at the Holocaust Museum.

The only reporter who has seen it, and the only person likely to do anything with it, is Al Kamen at The Washington Post (his column, "In the Loop," runs on M/W/F.) To date he has not done anything.

It was nice talking to you, and thanks for your help.

Eileen
