Mr. Paul Kangas
P.O. Box 422644

Dear Mr. Kangas:

Thank you for your April 1, 1997 letter. Please understand that our hearing held on April 2, 1997 regarding the status and disposition of the Zapruder film (not the Nixon tapes release project) was arranged in a short amount of time. We notified the public as soon as we confirmed the logistics of the hearing. Per your request, I have enclosed a list of the witnesses.

At this time we have no future hearings scheduled. The Board is conducting a brief open meeting on April 24, 1997 to vote on its decision regarding the status and disposition of the Zapruder film.

Again, thank you for writing. I hope this information is helpful to you.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
