Thank you for your May 18, 1997 letter. You have been added to our mailing list.

The Review Board was established to oversee the identification, review, and release of the remaining classified records related to the assassination of President Kennedy. We are not mandated to draw conclusions about or to reinvestigate the assassination. I have enclosed a brochure about the Review Board for your information.

You can write to the Coalition on Political Assassinations at:

Again, thank you for writing and for your interest in the work of the Assassination Records Review Board.

Sincerely,
