Dear Mr. Manchester:

Thank you for your recent call requesting information about the Review Board. I am enclosing two small pamphlets and a copy of our authorizing legislation (including the technical amendments.) In order for you to receive this information prior to our meeting on Monday, I am sending it by Federal Express for Friday delivery. If you have any further questions, please do not hesitate to call.

I look forward to seeing you on Monday, and I sincerely hope that we can resolve all issues in a way that serves your needs and the interests of present and future historians.

Sincerely,

David G. Marwell
Executive Director
