Dear Ms. Maul:

Thank you for your July 16, 1997 letter. Although we do not issue information about the case, I have enclosed information about our organization.

The Assassination Records Review Board was established to oversee the identification, review, and release of all documents related to the assassination of President John F. Kennedy. Once the records are reviewed, they are sent to the JFK Assassination Records Collection at the National Archives and Records Administration.

I hope this information is helpful to you. Good luck with your essay.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
