### COMMENTS:

Bill:

1. Per our conversation, I am faxing a two page summary on the Review Board for your information.
2. We will send you additional background materials for your file on Monday.
3. As a follow-up to our conversation regarding putting the necessary authorization and appropriation language together in an appropriation bill, I would suggest that our one year extension would be accomplished with:
  - \* The appropriation of \$1.6 million to be expended through September 30, 1998.
  - \* The language contained in H.R. 1553, the authorization bill introduced yesterday.

Our thanks to Senator Specter and you for your time and attention to this matter. Please do not hesitate to call me at (202) 724-0088, ext. 227, if you have any questions or you need additional information.
