

May 19, 1998

Mr. Jerry Organ
52 Chadwick Place, #105
Halifax, Nova Scotia
B3M 3N2
CANADA

Dear Mr. Organ:

Per your request, I have enclosed the transcript provided to us by Dr. Gary Aguilar in February 1996 of his telephone conversations with Drs. Humes and Boswell. Please note that this material will be added to the JFK Collection at the National Archives within a few months, but that I am providing it to you as a courtesy.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
