Dear Mr. Parker:

Thank you for your December 5, 1997 letter to Dr. David Marwell. Dr. Marwell is now working at the U.S. Holocaust Memorial Museum. Dr. Jeremy Gunn, formerly the Review Board's Associate Director for Research and Analysis, is our Executive Director.

We are continuing to work on clarifying the record as it relates to medical evidence and we hope to release this information as soon as possible. In addition, we are actively considering your suggestions.

Again, thank you for writing, and for your interest in the work of the Review Board.

Sincerely,

Eileen A. Sullivan  
Press and Public Affairs Officer
