Ms. Tammy Perrin
Treasury, General Government, and Civil Service
Appropriation Subcommittee
United States Senate
190 Dirksen Senate Office Building
Washington, DC 20510

Dear Ms. Perrin:

As a follow-up to our previous correspondence and telephone conversations, I am enclosing a letter the Review Board received from the Office of Management and Budget stating that the Board is not required to prepare a strategic plan under the Government Performance and Results Act of 1993.

The members of the Review Board and staff were pleased that our appropriation for FY 1998 was included in the Subcommittee's bill that was marked-up on Friday, July 11, 1997. As I know you are aware, we stand ready to assist the full Committee in any way that is necessary.

Thank you for all of the assistance that you have provided to the Review Board. We very much appreciate your time and attention.

Sincerely,

Thomas E. Samoluk
Associate Director
