Dear Mr. Provost:

Thank you for your June 19, 1997 letter to the Review Board. Although we do not ask individuals in the public to conduct research or interviews on our behalf, we welcome suggestions as to where additional assassination-related documents may be located.

If you have such information, we would be happy to hear from you. Thank you for your interest in the work of the Review Board.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
