Dear Mr. Rowlands:

Thank you for your October 24, 1997 letter. Per your request, I have enclosed a copy of the excerpts from Clay Shaw's diary. I have also enclosed a copy of the selected samples from the AP wire reports that the Review Board has made available. I sent the latter to you on September 25, 1997 -- I guess it never reached you. Thank you for bringing this to my attention.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
