Dear Mr. Rudd:

Per our recent correspondence through e-mail, I have enclosed copies of the following materials that the Review Board has made available: samples from the papers of J. Lee Rankin, excerpts from Clay Shaw's journal, and selected NSA documents recently released by the Review Board.

As I mentioned recently, these materials are now in the public domain, and you should feel free to duplicate them for your members and your publications. I hope this is helpful to you.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
