Dear Mr. Sawyer:

On behalf of the Assassination Records Review Board, I would like to take this opportunity to thank you for your generous donation of the Clay Shaw materials to the President John F. Kennedy Assassination Records Collection. These materials are an exciting and important addition to the historical record of the assassination of President Kennedy.

It is through the cooperation of private citizens such as yourself that the Review Board has been able to expand the Collection. Your donation of the Shaw materials should serve as a model to other individuals who value our history and understand the importance of making it available at the National Archives to all who are interested.

Again, thank you for this important donation to the American public and to history.

Sincerely,

John R. Tunheim
Chair
