Dear Reverend Sorenson:

Thank you for your November 29, 1996 letter in which you requested a copy of the Dave Powers film.

For a short time the Review Board had copies that were made available to the media. We no longer have copies. The film is at the National Archives and Records Administration (NARA) and once processed, will be available to the public. You may want to obtain a copy of this film the same way you obtained a copy of the Janet Veazey-KTVT film.

Again, thank you for writing to the Review Board. I hope that I have answered your questions.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
