Dear Mr. Williams:

Per your request, I have enclosed copies of the selected samples from the papers of J. Lee Rankin, as well as the AP wire copy that the Review Board has made available.

I initially mailed you the Rankin papers on July 8, 1997 (copy enclosed.) Unfortunately, it does not appear that you ever received it. I hope this envelope had better luck reaching you.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
