Dear Professor Torres:

This letter is a follow-up to our recent telephone conversation. In addition, I received the materials that you sent to me.

I am not aware of any documents with which the Review Board has dealt that relate to your area of interest. The Review Board's mandate is to review and release records related to the assassination of President Kennedy. Thus, the records that you have described do not appear to come within the Board's universe of records.

Thank you for contacting us and for your interest in the work of the Review Board. Per our conversation, I have had your name added to our mailing list to ensure that you are kept apprised of our activities.

Sincerely,

Thomas E. Samoluk
Deputy Director
