Dear Laura:

I am enclosing a copy of the portion of the House Select Committee on Assassinations Report that deals with the JFK assassination. I think that you will find it particularly instructive to examine what the HSCA did and the conclusions they drew. I also encourage you to be reading as much background information on the assassination as you can. I would be happy to suggest further materials if you would like to give me a call.

We look forward to your starting on March 6.

Best wishes,

Jeremy Gunn

Dear Tammi:

I am enclosing a Form 86 and a couple finger print cards, which you will need to complete as a first step in obtaining your security clearance. Could you please call Tracy Shycoff our Administrative Officer for tips in filling out the Form 86 and instructions how to have your finger prints done.
