Dear John:

Enclosed you will find the Secret Service document we discussed over the phone. The document is from the Abraham Bolden file and needs to have a RIF placed on it and be sent to Archives. Please inform me what the status of this document is once you have reviewed it.

Also enclosed you will find the disks you provided the Board in order to update our database.

Please feel free to contact me at (202) 724-0088 should you have any questions.

Sincerely,

Sarah Ahmed
