Dear Mr. Machado:

On behalf of the Board members and all of the members of the staff, I would like to express our sincere appreciation for the time you have spent working to achieve the goals of the JFK Act.

Your work has helped to open up records previously unavailable to the public, and you have materially assisted in helping to restore the trust of the American people in the institutions of government. Thank you for your assistance in this endeavor.

Sincerely,

Laura Denk  
Executive Director
