

## MEMORANDUM

June 6, 1997

To: Assassination Records Review Board

From: D. Sydney Reddy

Subject: "Bunny" Breen, a.k.a.: Eileen Curry, Carol Conner, Carol Scott

On May 15 and June 6, I reviewed several files related to "Bunny" Breen, these included FBI file numbers:

31-85306 (HSCA Main File): two documents, dated 12/19/56 and 01/24/57

31-88861 (HSCA Main File): 10/61 to 04/64

166-1237 (HSCA Main File): section 1; serials 1-75, 08/64 to 06/67

166-5451 (HSCA Main File): 02/71 to 07/71

Miscellaneous See References: Volume 1 of 1; one document, dated 01/19/47

The "Bunny" Breen (an associate of Jack Ruby) related files consist of FBI investigations regarding her various criminal activities, primarily prostitution, and the several occasions that she provided information to law enforcement authorities. .

All of the postponements were routine issues involving informant symbol and file numbers and names.

The files have several sections that have been referred to other agencies due to foreign government involvement or grand jury testimony, consequently it is not yet ready for a Board vote.
