Re: Review of National Archives and Records Administration Documents Under the JFK Act

Dear Ms. Houston:

I have enclosed 34 documents (list is provided) generated by NARA for your recommendation under the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V. 1994) ("JFK Act"). The documents refer to equities that fall within the LBJ Library's purview.

Please proceed with a review of these documents in the same manner as with others you have received from our office. If you have any questions, please call me at the number listed above. Thank you for continued your cooperation.

Sincerely,

D. Sydney Reddy
