Re: Review of National Archives and Records Administration Documents Under the JFK Act

Dear Mr. Leary:

I have enclosed a document (179-10001-10141) generated by NARA for your review and recommendation under the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V. 1994) ("JFK Act"). The document refers to equities that fall within the National Security Council's purview.

Please proceed with a review of these documents in the same manner as with others you have received from our office. If you have any questions, please call me at the number listed above. Thank you for your cooperation.

I would also like to remind you of a previous set of documents sent to your office under a cover letter of March 14, 1997. Please process these documents by June 1, 1997 so that the Review Board may prepare them for release.

Sincerely,

D. Sydney Reddy
