TO: David Marwell

FROM: Sheryl Walter

I regret to inform you that I am resigning my position as General Counsel of the Assassination Records Review Board in order to take the position of General Counsel with the Commission on Protecting and Reducing Government Secrecy. I have been honored to serve the Review Board and continue to believe that the work of the Board is extremely important and significant. I am confident that the fine staff you have assembled will, under your leadership and the leadership of the Review Board, not only meet but exceed the mandates of the legislation that established this process. It has been a great pleasure to work with you and get to know you, and I look forward to working closely together in the future. My resignation is effective close of business May 30, 1995, and I will be starting at the Commission on May 31.

My best wishes to the Board members, to the staff and to you. If I can be of any assistance, please do not hesitate to give me a call.
