RE: Executed Sign-N-Trial Agreement

Dear Patrick:

Thanks for faxing over a copy of the Sign-N-Trial Agreement. I've reviewed it and had our executive director, David Marwell, sign on behalf of the Review Board. As we discussed on Friday, both David and I are going to be out of the office much of the next week, so we will not start use until sometime after March 14. However, you can go ahead and send over the software before then, as our computer manager will be available to install it. You should send it to our office address to the attention of Chet Rhodes.

Also, thanks again for coming over on Friday to meet with David, Tom Samoluk, and me to discuss your product. We're greatly looking forward to exploring how this service may be useful to the Board's work. It was good to meet you and I look forward to working with you in the future.

*Sincerely,*

*Sheryl L. Walter  
General Counsel*
