CERTIFICATION OF CLOSURE OF MEETING

Pursuant to the requirements of 5 U.S.C. § 552b(f)(1), I hereby certify, as General Counsel and chief legal adviser to the Assassination Records Review Board, that in my opinion the January 25, 1995 may be closed to the public. The applicable exemptions allowing closure of the meeting are exemption (c)(6), providing for closure of a meeting at which there is likely to be the disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy, and exemption (c)(9)(B), providing for closure of a meeting at which there is likely to be the disclosure of information that may likely significantly frustrate implementation of a proposed agency action.

*A complete record of the proceedings shall be prepared and retained
by the Board and made publicly available to the extent required by law.*
