

Motion for adoption of final interpretive regulations:

I move that the interpretive regulations, as contained in the discussion draft we have discussed and made publicly available at this meeting, which is based on proposed interpretive regulations that were subject to notice and comment procedures,

[ADD IF APPLICABLE: and reflecting the changes we have indicated should be made,]

be adopted by this Review Board as final interpretive regulations for guidance in implementation of the Assassination Records Collection Act of 1992.

I further move that the final interpretive regulations be published in the Federal Register forthwith.
