re: ARRB proposed interpretive regulations
date: July 5, 2017
pages: 4, including cover sheet.

Dear John:

Following this cover sheet is a courtesy copy of the Assassination Records Review Board's proposed interpretive regulations, published yesterday in the Federal Register. The proposed regulations include guidance on interpretation of the scope of certain provisions of the Assassination Records Collection Act, including the terms "assassination record" and "additional records and information." The Board is soliciting comment from all interested parties and would welcome any comments that the CIA may have. (The comment period is 30 days; the deadline is March 10.)

If you have any questions or need any additional information, please don't hesitate to give me a call on my direct line or at our main number, 724-0088.

Sincerely,

Sheryl L. Walter
General Counsel
