RE: Church Committee information on Balletti wiretap (Giancana)
FILE NO.:4.0.2 (Giancana)

This file was one of several in Box 28, Folder 2

This file was not all that interesting. It contained an interview with FBI agent Ralph Hill and a discussion of the Balletti wiretap. Hill recounts an interview, along with other FBI agents, of Phyllis McGuire and Sam Giancana in the fall of 1961.
