Re: Papers of Herbert J. Miller

Dear Mr. Hastings:

Once again, thank you for your cooperation with us in the review of the papers of Herbert J. Miller. We have conducted our interview of Mr. Miller, and we have included copies of all assassination-related records in the file of our interview. Any records provided by Mr. Miller to the Criminal Division for review of grand jury materials which remain in the possession of the Criminal Division can now be either returned to Mr. Miller or disposed of by you. We are satisfied that there is no assassination-related information in those records.

Sincerely,

T. Jeremy Gunn
General Counsel and
Associate Director for Research and Analysis
