

MEMORANDUM

September 3, 1997

To: The File

From: Kevin G. Tiernan

Subject: Herbert J. Miller Documents

I have carefully reviewed all of the documents provided by Herbert J. Miller pursuant to the subpoena issued to him, including those sent by Mr. Miller for initial review by the Department of Justice. The documents cover Mr. Miller's tenure as Assistant Attorney General for the Criminal Division from 1961 until 1965. We have retained all records related to the Kennedy assassination in the file on our interview with Mr. Miller. We have not retained those records related to miscellaneous criminal investigations on which the Department was working that have no apparent relationship to the assassination. It is our understanding that Mr. Miller has the originals of these records in his office.
