

MEMORANDUM

July 24, 2017

TO: Melanie Ann Pustay, Senior Counsel
Office of Information & Privacy
Department of Justice

FROM: Irene Marr, Senior Analyst

CC: Ron Haron, Associate General Counsel

SUBJECT: Referral of LBJ Library Documents containing DOJ Equities

We are submitting for your review copies of two documents from the LBJ Library, identified as assassination records, that contain DOJ equities. One of these documents was previously sanitized prior to the establishment of the Review Board. However, as the guidelines for declassifying assassination records have evolved since the earlier review, we request that you review it again in accordance with The John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107. We are providing both a copy of the clear original, along with that containing the earlier redactions, for the following records:

#177-10001-10265
#177-10001-10193

We intend to present these documents to the Review Board for review of postponements at the next Board meeting on March 10, and request that you return to us your consent to release, and/or any postponements taken on, these documents on or before March 6.

If you have any questions or are unable to meet the above schedule, please feel free to contact me or Ron Haron at (202) 724-0088. Thank you for your cooperation.
