Re: ARRB Visit to Johnson Library

Dear Tina:

We are making the final arrangements for our trip to the Johnson Library next week and in order to optimize our time there, we would also like to review a number of selected files from the Presidential Papers and Oral History collections. We would like to narrow our scope to review just those remaining **closed files** on the following individuals, from the time frame 1961 to 1965.

Manuscripts and Archives-Presidential Papers

Clifton C. Carter
Kenneth O'Donnell
Lawrence F. O'Brien

Manuscripts and Archives-Personal Papers

George Ball
McGeorge Bundy
Warren Christopher
Ramsey Clark
James U. Cross
Alain C. Enthoven
Robert E. McNamara
Walter W. Rostow
Richard B. Russell
Paul C. Warnke
William C. Westmoreland

Oral History Collection

Hale Boggs
Ramsey Clark
Ray Cline
Jesse Curry
John Davis
Courtney Evans
Ronald Goldfarb

We are mainly interested in looking at records that cover the transitional period between the Kennedy and Johnson Administrations as well as any documents that reflect a change in policy toward Vietnam and Cuba. In addition to the extent that any of these personal papers date from the Kennedy Administration and could possibly enhance the historical record we would also like to review those pertaining to Cuba and Vietnam.

We based this selection on the finding aid “Historical Materials in the Lyndon Baines Johnson Library” If there are any other detailed finding aids that would allow us to search by assassination-related topics we would also like to use those.

Irene Marr and I will be arriving in Austin Sunday evening, March 23rd and will plan to meet you first thing in the morning on Monday, March 24th. **Steve Tilley will be arriving early Monday afternoon.**

Sincerely yours,

T. Jeremy Gunn
General Counsel and
Associate Director for Research and Analysis
