Country File

Addendum

**NOTE:**

The National Security File, Country File, Addendum, was created in 1993 as a file location for unfiled material which has been located by Library staff but which should be included as part of the National Security File. The structure of the Addendum mirrors that of the National Security File, Country File. Similar Addenda will be added at the end of the other sections of the National Security File as needed.

As additional items are located by Library staff, they will be added to the Addendum, thus the box numbers may change. **When citing items from the National Security File, Country File, Addendum, please include the entire folder title.**
