Vernon, Texas 76384

Dear Ms. Bell:

I want to thank you for agreeing to a tape-recorded interview with ARRB staff. Based on the arrangements agreed to during your March 3, 1997, telephone call with Doug Horne, he and I plan to arrive at your home in Vernon at about 1:00 P.M. on Thursday, March 20, 1997. Although Mr. Horne said you gave him very good directions via the telephone, he tells me that you intend to mail us a map of Vernon, and I appreciate that very much.

We very much appreciate your cooperation with the Review Board's ongoing attempts to complete the historical record of President Kennedy's assassination, and look forward to speaking with you on March 20.

Sincerely,

T. Jeremy Gunn
General Counsel
