

To whom it may concern: On Saturday June 1, 1996 there was an incident involving some money being stolen from your store #86 located at Pentagon city, Arlington Va. I left some money in my smock I realized that I had left the money once I got down to the subway. I tried to call the manager to aware her of the situation, but there was'nt any answer. So I called One of my co-workers to aware them of the incident. It was when I arrived at the store to learn that my money had been secured in one of Gymboree's locked drawer. While I began working I noticed an envelope with My name on it. I reached down to pick up the envelope to learn that the money was gone I began to panic. That was when I realized that the drawer was opened. Marie Renald the store maneger said that she witness my co worker put it in the drawer, if the drawer was locked than who did my money dissappear. After the theft occured I told my maneger I would like to know if I could be excuse for the day. I began to think that maybe a customer could have stolen the money, but that was impossible becuse if a
