Dear John:

I am enclosing copies of research identification forms (RIFs) for the five documents you have presented with postponements. These forms reflect what now appears in our database, and they contain some alterations from your original RIFs based on your conversation with Chet Rhodes.

For clarification: In the "Restrictions" field, the number 16 refers to a § 6(3) postponement. The number 64 refers to a § 6(5) postponement. Would you please check these forms and confirm that they reflect your information correctly?

On another matter, your RIF number 154-10002-10329 lists information that appears different from the actual document. The Director who offered testimony in this document is H.S. Knight, not Chief Rowley. Would you please check your document and inform me of any changes you might wish to make on the RIF?

Thank you for your assistance in these matters.

Sincerely yours,

Joan Zimmerman
Senior Analyst
