

MEMORANDUM

March 25, 1996

To: Steve Tilley, National Archives and Records Administration

From: Tammi Long, ARRB

Subject: Re: FBI Headquarters Bulky Files

I would like to review the boxes of records listed below. I anticipate that it will take some time to complete this particular project. I will probably need to spend at least 4 days looking through the Bulky files. Please let me know if Tuesday, March 26 would be a good day to get started.
