Dear Mr. Adamson:

Thank you for your recent letter to the Review Board in which you provide additional information about various assassination records. This letter will be added to the other information for review that you have previously provided.

As I know you are aware, the Congress made clear that the Board is to use the expertise that researchers have acquired. That is why the type of information you have sent to use will be useful in the Board's review of records and search for additional documents.

Again, thank you for your continuing interest in the Board and for the information which you have provided.

Sincerely,

Thomas E. Samoluk, Esq.
Press and Public Affairs Officer
