Anna - Per our conversation, here is a three pager on the Board. I guess the three things we would seek from Lindy Boggs are:

1. Public support at the hearing;
2. Any records that she could contribute; and
3. Any leads that she could provide on other records.

**fax**

Thanks. If it gets too time consuming tracking her down, please let me know and I'll do whatever you want to contact her.

From the desk of  
**Thomas Symbolic**
