Camille - D.A. Connick called me on Friday saying that he would testify on 6/28/95 and that we would be able to obtain record which he felt he could legally give to us. We are very appreciative and followed up with the attached letter yesterday.

As noted in the letter, we would like to review the documents on Monday, 6/26, if possible. The other issue we would very much like to resolve as soon as possible is whether or not we will be able to obtain original documents or if we should make arrangements to copy documents.

Thank you for your cooperation. I look forward to hearing from you.

Tom Samoluk
