Mr. Peter Casey
Program Director
WBZ-AM Radio
1170 Soldiers Field Road
Boston, MA 02134

Dear Peter:

Congratulations on your recent promotion to program director at 'BZ radio. I have been in D.C. working for this Board appointed by the President to declassify all Kennedy assassination records, but I see the Boston newspapers regularly. I saw an item in the Herald about you. This sounds like a great move.

It doesn't seem that long ago that I was at the Attorney General's office and seeing you regularly at 'HDH when you were helping Scott with the PSAs. We always appreciated your cooperation.

Best wishes in your new position. You deserve it. In the not too distance future, I'll be returning to Boston when the Board completes its work. I look forward to saying hello at that time.

Sincerely,

Tom Samoluk
