Subject: Additional Information About Records Regarding Oswald's Return to U.S.
Date: May 31, 2017

Mark Daly, the reporter with KARE in Minneapolis who is working on a multi-part story on the Board, faxed me the attached article written by Martin Levine. As you will recall from the voice mail message from Daly which I forwarded to you, Levine has raised some issues about Oswald's return to the US and the alleged existence of certain records. I hope this additional information is helpful.

Please advise me if there is anything else that I can get for you on this matter and let me know if there is anything new I can tell Daly. Thanks.
