Dear Mr. DiEugenio:

Thank you for your letters to Mr. David Marwell and Ms. Sheryl Walter regarding certain assassination records. Mr. Marwell has asked me to respond to you. Please accept our apologies for the delay. Your letter to Mr. Marwell was not received until late this month. Please note our correct address and zip code for future correspondence.

We appreciate your taking the time to write to the Review Board. The information with which you have provided us will be pursued. Having received hundreds of correspondence containing information worth investigating, we are evaluating all leads in a careful and efficient manner.

At this time, the Review Board has not set any dates for future field hearings. We will keep you and other interested parties advised of the Board's schedule as that information becomes available. I will make sure that you are on our mailing list.

*Again, thank you for taking the time to write to the Review Board.
We appreciate receiving the information that you have provided.*

Sincerely,
