Re: Ch. 5 Coverage of JFK Assassination Records Review Board in Boston

I am interested in obtaining a videotape of several reports that aired on Channel 5 on the JFK Assassination Records Review Board's public meeting in Boston. The meeting took place on Friday, March 24, 1995 at the State House. I am aware of the following reports which aired:

Thursday, March 23, 1995
11:00 p.m. News
Report by Amalia Barretta
included interview with John Tunheim, Board Chair

Friday, March 24, 1995
Noon News
Live Shot by Ron Gollobin
included witnesses from morning session of the Board's public meeting

Friday, March 24, 1995
5:00 p.m. news (and possibly 5:30 p.m. and 6:00 p.m.)
Report by Ron Gollobin (may have been a live shot reporting on the public meeting)

Please advise me how I may pursue obtaining a videotape of Channel 5's coverage. The purpose of my request is to have a videotape of our coverage for our files. The copy which we are seeking is for strictly private use, no commercial use and no reproduction.

Thank you for your time and cooperation. I look forward to hearing from you regarding how I should proceed.
